

Assistant Professor, Epidemiology

The University of Nevada, Reno School of Community Health Sciences seeks an innovative, energetic scientist for a tenure track faculty position in Epidemiology at the rank of Assistant Professor. The school offers the MPH in Epidemiology and Social-Behavioral Health and a BS in Community Health. The successful applicant is expected to: teach graduate and undergraduate courses in Epidemiology; advise graduate students; develop and maintain an independent program of scholarship; engage in university community and professional service.

Review of applications will begin October 17th, 2011.

Required Qualifications

1. Earned doctorate (PhD, DrPH, ScD) in Epidemiology or a closely related field, preferably from an accredited school of public health, with appropriate training and experience.
2. Ability to develop and maintain an independent program of research, including ability to secure external research support.
3. Demonstrated ability or potential to teach graduate and undergraduate students.
4. Ability to interact effectively with diverse groups in a multidisciplinary environment.

Preferred Qualifications

Research and teaching interests in Environmental Epidemiology are preferred, but applicants interested in any area of Epidemiology will be considered.

Applications must be submitted online at: <https://www.unrsearch.com/postings/8253>

Please attach a CV, a letter of application describing your qualifications, areas of expertise and interest in the position and contact information of three professional references.
